

SUNRISE THERAPY FOREST

Come Grow With Us

OUR MISSION

To develop the full potential of children and adults with special needs, guiding them closer to independence through therapy, education, horse riding, recreation, and life skills programs, farm-related and social activities.

ABOUT US

Sunrise Therapeutic Riding & Learning Centre empowers those with special needs through its accredited therapeutic riding program, day program for adults with disabilities, and inclusive recreation programs for children and youth of all abilities.

The Sunrise Therapy/Memorial Forest is transforming 20 acres of land into managed forest and meadow habitats of native species. This resource will be used for wellness and nature based activities within Sunrise programs. It will also provide the opportunity for honouring and remembering loved ones.

GOALS:

To establish a managed forest and meadow habitats at Sunrise to:

- Enhance existing biodiversity through planting of native species, and provide new habitats and food sources for pollinators
- Provide accessible natural spaces for innovative, inclusive programming for children and adults with disabilities, with a focus on fitness, wellness and nature appreciation.

ABOUT THE FOREST:

- When complete, the project will include 20 acres of managed forest and meadows, including pollinator friendly species.
- Eventually there will be riding trails, separate from accessible walkways with interpretive signs, Memorial and In Honour areas, program spaces, and benches

ADOPT-A-TREE | \$25

Add your name to a designated tree on Sunrise's property

POLLINATOR PAL | \$150

Plant a pollinator shrub in honour or memory of a loved one.

FRIENDS OF THE FOREST | \$150

Honour or remember a loved one by placing their name on a collective Memorial or In Honour sign

TRAILBLAZER TREE | \$1500

Plant a tree with individual recognition or memorial plaque

TRAILBLAZER BENCH | \$2000

purchase a bench with individual recognition or memorial plaque

PROJECT DETAILS

- A recognition/sign unveiling event will be held every September. All those who supported the forest project in the past year will receive an invitation to the event.
- Sunrise staff will determine the species and location of Trailblazer trees and benches, in keeping with the overall forest design. A limited number of benches will be available each year.
- Should a Trailblazer's bench or tree become damaged within 5 years, the donor's sign will be moved to another bench or tree.
- Benches are made of recycled composite materials, and are weather resistant.
- All supporters will receive a tax receipt and a certificate, suitable for giving as a gift to someone being recognized through this project.
- Please note that for the safety of all, the Sunrise Therapy Forest is not open to the general public. Visits are available by appointment, and must be booked in advance with Sunrise office staff.
